ACE #1

After a Vampire Tracker Marks her with a crescent moon on her forehead, 16-year-old Zoey Redbird enters the House of Night and learns that she is no average fledgling. She has been Marked as special by the vampyre Goddess Nyx and has affinities for all five elements: Air, Fire Water, Earth and Spirit. But she is not the only fledgling at the House of Night with special powers. When she discovers that the leader of the Dark Daughters, the school's most elite club, is mis-using her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny with a little help from her new vampyre friends (or Nerd Herd, as Aphrodite calls them)
